

Times New Roman, 150 pt

This diagram illustrates the structural elements of the Times New Roman font at 150 points. It features the lowercase letters 'a', 'b', 'e', 'f', 'o', 'p' in a bold, black serif font. A light gray 'X' is shown to indicate the 'x-height'. Annotations include: 'letterspacing' pointing to the space between 'a' and 'b'; 'aperture' pointing to the opening of the 'b'; 'terminal' pointing to the top curve of the 'f'; 'bowl' pointing to the circular base of the 'b'; 'serif' pointing to the small stroke on the 'p'; 'serifs' pointing to the two small strokes on the 'p'; and 'x-height' pointing to the height of the 'X'.
